Courses offered

M.Tech. Structural Engineering

B.Tech. Civil Engineering

B.Tech. Computer Science & Engineering

B.Tech. Electrical & Electronics Engineering

B.Tech. Mechanical Engineering

B.Tech. Artificial Intelligence & Machine Learning Engineering

Diploma Civil Engineering

Diploma Mechanical Engineering

Diploma Electrical & Electronics Engineering

Diploma Artificial Intelligence & Machine Learning Engineering

Brief History and Background

M M College of Technology, Raipur, Chhattisgarh popularly known as MMCT, under the aegis of M M Foundation, Raipur, Chhattisgarh is one of the leading Engineering College in Chhattisgarh state. The institute is envisioned to be an excellent centre for technical education of the State.

Established in the year 2007 with a view to educate a new generation of engineers who also evolve into global leaders and thinkers. Since its inception, it has acquired a formidable reputation in engineering education with the introduction of 8 steps success framework. Institution is maintaining the inspiring atmosphere for studies, research & development and overall personality grooming of students.

MMCT is spread over in sprawling campus of 10.35 acres of picturesque area, surrounded by lush green environment with lots of green trees and shrubs, which makes it a perfect place for professional learning.

MMCT is providing 4 Diploma Engineering courses in Civil, Mechanical, Electrical & Electronics & Artificial Intelligence & Machine Learning Engineering; Bachelor of Engineering courses in Civil, Computer Science, Electrical & Electronics, Mechanical & Artificial Intelligence & Machine Learning; Post Graduate course in M.Tech. Structural Engineering.

Institute Objectives

- To produce technically competent, quality conscious engineers
- To promote research and development activities leading to application of knowledge in problem solving, enhancement of productivity and evolution of efficient management practices
- To undertake consultancy and testing in the field of engineering and technology
- To develop synergetic partnership with industries towards mutual benefit
- To establish effective networking with the leading technology and management education institutions across the world to always remain at the cutting edge of the Technology.
- To establish a world-class educational institution as a knowledge enterprise to educate and train the people to become performers in order to reach the pinnacle of glory for themselves and for our country.
- to build the leaders of the future, who are passionate to win, raise standards of excellence round the world and create newer directions to make the mankind explore and innovate in a better way, leading to harmony and coexistence in society
- To impart quality education, develop highest standards of professional ethics in the field of education and to improve the quality of life of people by playing a proactive role in producing competent young men and women
- to impart value based technical and management education through deployment of dedicated faculty and creation of academic ambience of the highest order
- to nurture and cultivate the spirit of creativity and innovation among students and staff to always remain at the cutting edge of technology and management practices
- to empower the students to acquire attributes and behavioral pattern conducive towards development of entrepreneurial attitude to become job providers rather than job seekers and thus contribute towards socio-economic growth and glorious future of our country

Statutory Declaration under the RTI act 2005
